

Cedar Outdoor Garden Shower

There's nothing like taking a shower outside in a Custom Leisure Products Outdoor Garden Shower. The shower comes complete with an 8 inch diameter rain maker shower head and a on/off water valve. We build these in many diameters and heights and can provide optional custom benching in larger models. Perfect for enhancing any backyard environment; including poolside, sauna or lake house, etc.

Size Shown: 42" x 36" Oval Diameter x 72" Tall (with optional Delta, hot and cold valve)
